HELLO!

Creative and tech-driven designer carrying a skillset of UX/UI, web development, graphic design, and social media content design. Experienced in aligning designs with brand identity and company goals. I get excited about learning new skills, ideas, concepts, and finding new ways to look at life. Throughout my studies and work experience I've strived to be an all-around designer that can tackle any creative problem!

My Portfolio Website –
Built with JavaScript,
HTML5, and SCSS,
showcasing UX, web,
and design projects
